Study Questions

- 1) Pastor Dominic compared Revelation 4 — with its 15 symbols — to the remarkable eyesight of an eagle. Why is this a good illustration?
- 2) In the wide look at Israel’s history—past, present day, and that which is to come (through the symbolism of its 7 holy Feasts), we learned that the 4 Spring Feasts have already been fulfilled. We are currently living in the time right before the next Feast, which is the Feast of Trumpets. Jesus describes both the ‘time before’, and the fulfillment of this next Feast, in Luke 21:23-24 & Matthew 24:37-44. Read these verses. What is His instruction to us?
- 3) Read I Cor. 15:51-53 & I Thess. 4:15-18. Paul further fleshes-out what will happen when this present age ends. What is it that we are waiting for?
- 4) John starts Rev 4 with God’s command to “come up”, following the Church Age or Times of Gentiles in Rev 1-3. Pastor Dominic explained that everything in Rev 4, onward-from-this-call-upward, will be about the 7 yrs just before the 2nd coming of Christ — which matches Daniel’s “70th week” in Daniel 9:24-27.
- 5) Read Rev 4 and give eagle-like consideration, through the Holy Spirit in us, to all that is happening here, while God is finishing with Israel and unbelievers on earth during these final 7 years. What are your impressions of these things? Discuss the symbols that you see, and that you remember from hearing the sermon.
- 6) Since this is the culmination of earthly history, both Satan and man will find out how their rebellious attempts to “be their own God” will turn out? Why can’t they win?
- 7) Are you longing for His appearing? For you personally, what ‘stands in the way’? Now is the time to prepare!
