“The Great Sign of China”

Study Questions

Ice breaker question: Who told you about Jesus?

- 1) The historical book, “Genghis Khan: The Making of the Modern World” by Jack Weatherford, gives us the insight that in their minds and culture, the Chinese have inherited a “destiny” from the 13th-century Mongolian Empire to one day rule the world. What other political philosophy has also more recently been mixed-in with this belief?
- 2) At what point will the Chinese send their 200-million-man army against the Antichrist? How do we know that it is China being spoken about in Rev. 9:13-19 & Rev. 16:12-16?
- 3) What else is being described in this section of Scripture, as the apostle John tries to describe it using his 1st Century frame-of-reference?
- 4) Where will this Final showdown between China and the Antichrist take place?
- 5) What might the 3 frog-like demons really be, and what may they be promising the Antichrist and his other nations, in order to convince them to enter a ‘suicide battle’ against China’s 200-million-man army?
- 6) Do you agree that Jesus seems to be interjecting into the middle of this narrative, that believers need to be ready to go with Him in the Rapture — so that they are not on earth when this battle of Armageddon takes place?
- 7) What should be “our business” until Jesus returns? For whose benefit have we been “brought into His kingdom for such a time as this”, in order to help spread His Gospel? Does this include China?
